Entering/Editing Worked Time (Durations)

Timecard workspace

The screenshot shows the 'Timecard' workspace for user 'Sullivan, Gary'. The 'Time Period' is 'Current Pay Period' from 6/23/2003 to 7/6/2003. The table has columns for days of the week (Mon-Sun) and a 'Total' column. The 'Pay Code' is 'Transfer'. The 'Hours Worked' column shows '0:00' for each day and '0:00' for the total. There are 'Add Row' and 'Hours Worked' input fields for each day.

Note: You may also transfer amounts. See Transferring Labor Account and Transferring Work Rule.

To enter durations in a home labor account:

1. If the Timecard workspace is not already open, click **Timecard**.
2. Select **Hours Worked** from the Pay Code drop-down list.
3. Press the **TAB** key and move to the appropriate date cell.
4. Enter an amount (in hours and minutes).
5. Press the **TAB** key to move to another cell, if desired and repeat step 4.
6. Click **Save**.

To edit durations in a home labor account:

1. If the Timecard workspace is not already open, click **Timecard**.
2. Click in the cell that you want to edit.
3. Enter the new amount (in hours and minutes). The new duration replaces the previous duration.
4. Press the **TAB** key to move to another cell, if desired and repeat step 3.
5. Click **Save**.

Entering/Editing Nonworked Hours or Money

Timecard workspace: Pay Code column

The screenshot shows the 'Timecard' workspace for user 'Sullivan, Gary'. The 'Time Period' is 'Current Pay Period' from 6/23/2003 to 7/6/2003. The table has columns for days of the week (Mon-Sun) and a 'Total' column. The 'Pay Code' is 'Transfer'. The 'Hours Worked' column shows '10:00' for each day and '10:00' for the total. There are 'Add Row' and 'Hours Worked' input fields for each day. A dropdown menu is open showing options: 'Add Row', 'Personal', 'Sick', 'Vacation', and 'Hours Worked'.

Note: You may also transfer amounts. See Transferring Labor Account and Transferring Work Rule.

Nonworked time, such as sick, vacation, or personal time, must be entered on a separate row. Use a new row for each type of nonworked time.

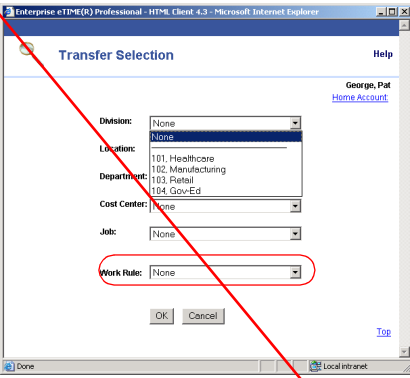

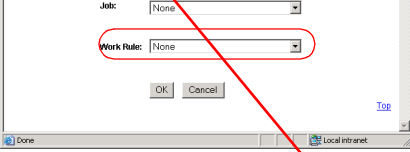

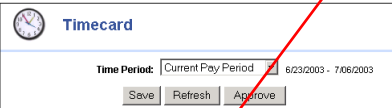

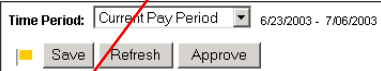

1. Click the **Add Row** button to insert a new row.
2. Select the appropriate pay code from the drop down list.
3. Press the **TAB** key to move to the date cell.
4. Enter the number of hours.

Note: If you enter a partial hour, separate the hours and minutes with either a decimal point or a colon. For example, enter 8 and a half hours as either 8.5 or 8:30.

5. Click **Save**.
